

INTEGRATED POLICY STATEMENT

Our Mission, at P McVey Building Systems Ltd, is to become a leading company in our Sector by devoting our strength and resolve to the unending challenge of continuous improvement.

We, as a company, pledge our efforts and endeavours to securing a level of service beyond the expectations of all our customers and in so doing establish a reputation synonymous with quality. We are proud of our reputation for quality and are fully committed to the provision of the highest standards of customer services and the need for continuous improvement in the provision of our products and services.

Through the ongoing development of our people, our commitment to Consultation and Participation of workers, and workers' representatives, and the implementation of effective systems and operational processes we shall ensure that the needs and expectations of our customers, suppliers and other interested parties are fully satisfied by working at the level required for our Quality, Environmental Management and Occupational Health and Safety systems to be certified by ISO 9001:2015, ISO 14001:2015 and ISO 45001:2018.

We are committed to the following organisation goals:

- Continually satisfy all applicable customer requirements and compliance obligations
- Continually improve the Management System
- Protecting the environment
- Preventing injury & ill health through eliminating hazards and reducing Occupational Health and Safety risks.

And specifically:

- Reducing vehicle emissions related to our operations
- Reducing waste generated through service processes
- Reduce risk to employees and other service users through managed Health & Safety system and adhering to all legal requirements

This Policy Statement provides the Framework for setting and integrating Management System Objectives with Strategic Business Planning, under the following improvement aims:

- To provide enhanced Customer Satisfaction and freedom from defects in products and services
- To provide our products and services efficiently and effectively
- To protect and improve the Health & Safety of our workforce, customers, and wider stakeholders through improved safety-based work planning.
- To prevent pollution and improve the environmental performance of our operations

This policy shall be periodically reviewed and made known to all existing and new employees, clients, suppliers, and subcontractors, displayed throughout our works and reception areas and can be viewed on our website by wider stakeholders and the general public.
